

# SOUQ WAQIF HOTEL

**Client:** Souk Waqif Hotel (Private Engineering Office)

**Category:** Fit-out

**Consultant:** Decorelle

**Built-up area:** 4300 m<sup>2</sup>

The Souq Waqif Hotel, a local landmark with architectural themes inspired by Qatari heritage, had to ensure a high degree of acoustic insulation as is required by most hotel/hospitality projects.

As the client was already familiar with the quality and specification of Domopan's wall partitions from previous projects, Domopan's product was recommended. The fit-out division undertook the job, satisfied the acoustic requirements and successfully completed the project under a tight schedule.
